Dear Listeners,

Thank you for making WUJC FM your station of choice. As you will see from our program guide, 1997 promises to be an exciting year for 88.7 FM.

We will continue to have one of the widest varieties of musical choice in Cleveland. When you tune into WUJC FM, your musical choice will include Metal, Jazz, Country, Christian Rock, Modern Rock, Hip Hop, Classic Rock, 80's and the list of formats goes on and on. WUJC FM also offers a wide variety of Community, Ethnic, and Sports programming.

In the Spring of 1997, WUJC will hold our annual Radiothon. This will be your chance to get more involved with the station and support college radio even further with your financial donations.
